## EDUCATION

---

**12<sup>th</sup>** 2020-2021

**Bright Light Academy**

Kohalpur, Banke

70% Marks

**Lakshmi Narain College of Technology** 2022-2025

Bhopal, Madhya Pradesh

Bachelor of Computer Application

7.7 CGPA

## PROJECTS

---

### Sports Management System | Spring Boot, Java, MySQL, Bootstrap, CSS, HTML

- Designed and developed the system to manage player details, payments, and sports-related information.
- Utilized Spring Boot for backend logic implementation.
- Employed MySQL for database storage and management.
- Created responsive UI using Bootstrap, HTML, and CSS

### Library Management System | HTML, CSS, JavaScript

- Designed and implemented a system to manage books, users, and borrowing records.
- Developed a responsive front-end using HTML and CSS.
- Added interactivity for book search, issue, and return features using JavaScript.

### To-Do Application | HTML, CSS, JavaScript

- Designed and implemented the front-end using HTML and CSS for structure and styling.
- Developed interactive functionality for adding, updating, and deleting tasks using JavaScript.
- Incorporated local storage to save tasks persistently.

### Weather App | HTML, CSS, JavaScript

- Designed the user interface with HTML and CSS for a responsive and visually appealing layout.
- Integrated JavaScript for fetching and displaying weather data dynamically.
- Integrated a weather API (e.g., OpenWeatherMap) for real-time weather updates.
- Implemented error handling for invalid locations and API response issues.
